

# 3 KEY AREAS TO REIMAGINE HEALTHCARE

1

## IMPROVE CLINICAL AND OPERATIONAL INSIGHTS

Gain real-time visibility.  
Reduce impacts of siloed data.  
Leverage AI analytics for better clinical decision making.

### Quisitive MazikCare DataFusion

Using data analytics could contribute to reducing hospital supply chain costs by \$23 billion annually, based on analysis of more than 2,300 hospitals by consulting firm Navigant.<sup>1</sup>

### New Module: Medic Connect

Medic Connect transforms EMR data into actionable records in Dynamics 365 with Azure functions and capabilities. This interface model transfers data between the EMR and Microsoft healthcare datamodel on dataverse.

77%

of health systems lack a clear analytics strategy, though 89% of executives plan on increasing the financial investment in analytical software.<sup>2</sup>

# 3 KEY AREAS TO REIMAGINE HEALTHCARE

2

## Build a Stronger Supply Chain

Maximize inventory investment.  
Reduce clinician time on administrative tasks.  
Mitigate future impacts of disruptions.

### Qusitive MazikCare CareSupply

44% of healthcare leaders say demand forecasting and predictive analytics tools are a top priority.<sup>3</sup>

99%

of hospital and health system leaders surveyed experienced challenges in supply procurement, including shortages of key items and significant price increases.<sup>4</sup>

3

## Increase Patient Engagement

Ease of use. Choice of accessibility. 24/7 communication.

### Qusitive MazikCare Carepath

Increased automation and self-service could lower administrative costs by an additional \$24 billion to \$48 billion annually.<sup>5</sup>

### New Module: CarePlan

CarePlan improves patient care plan adherence and engagement by automating processes for population cohorts and individual patients. Leverages workflows for better care coordination, reduces burden on call centers, and increases prescription fulfillment and refills.

47%

of people are using technology to communicate with their healthcare providers.<sup>6</sup>

Take the next step and start your journey to reimagine healthcare today.
