

QUISITIVE

QUISITIVE
SPYGLASS® + MDR
Quiet Power.
Complete Partnership.

THE QUIET GUARDIAN

WHITE GLOVE

THE CRISIS YOU NEVER SAW COMING.
THE HERO YOU NEVER SAW WORKING.

Every security team has threats they can't see. This is the story of what happens when the noise takes over... and the partner who brings clarity back.

AZURE HEIGHTS

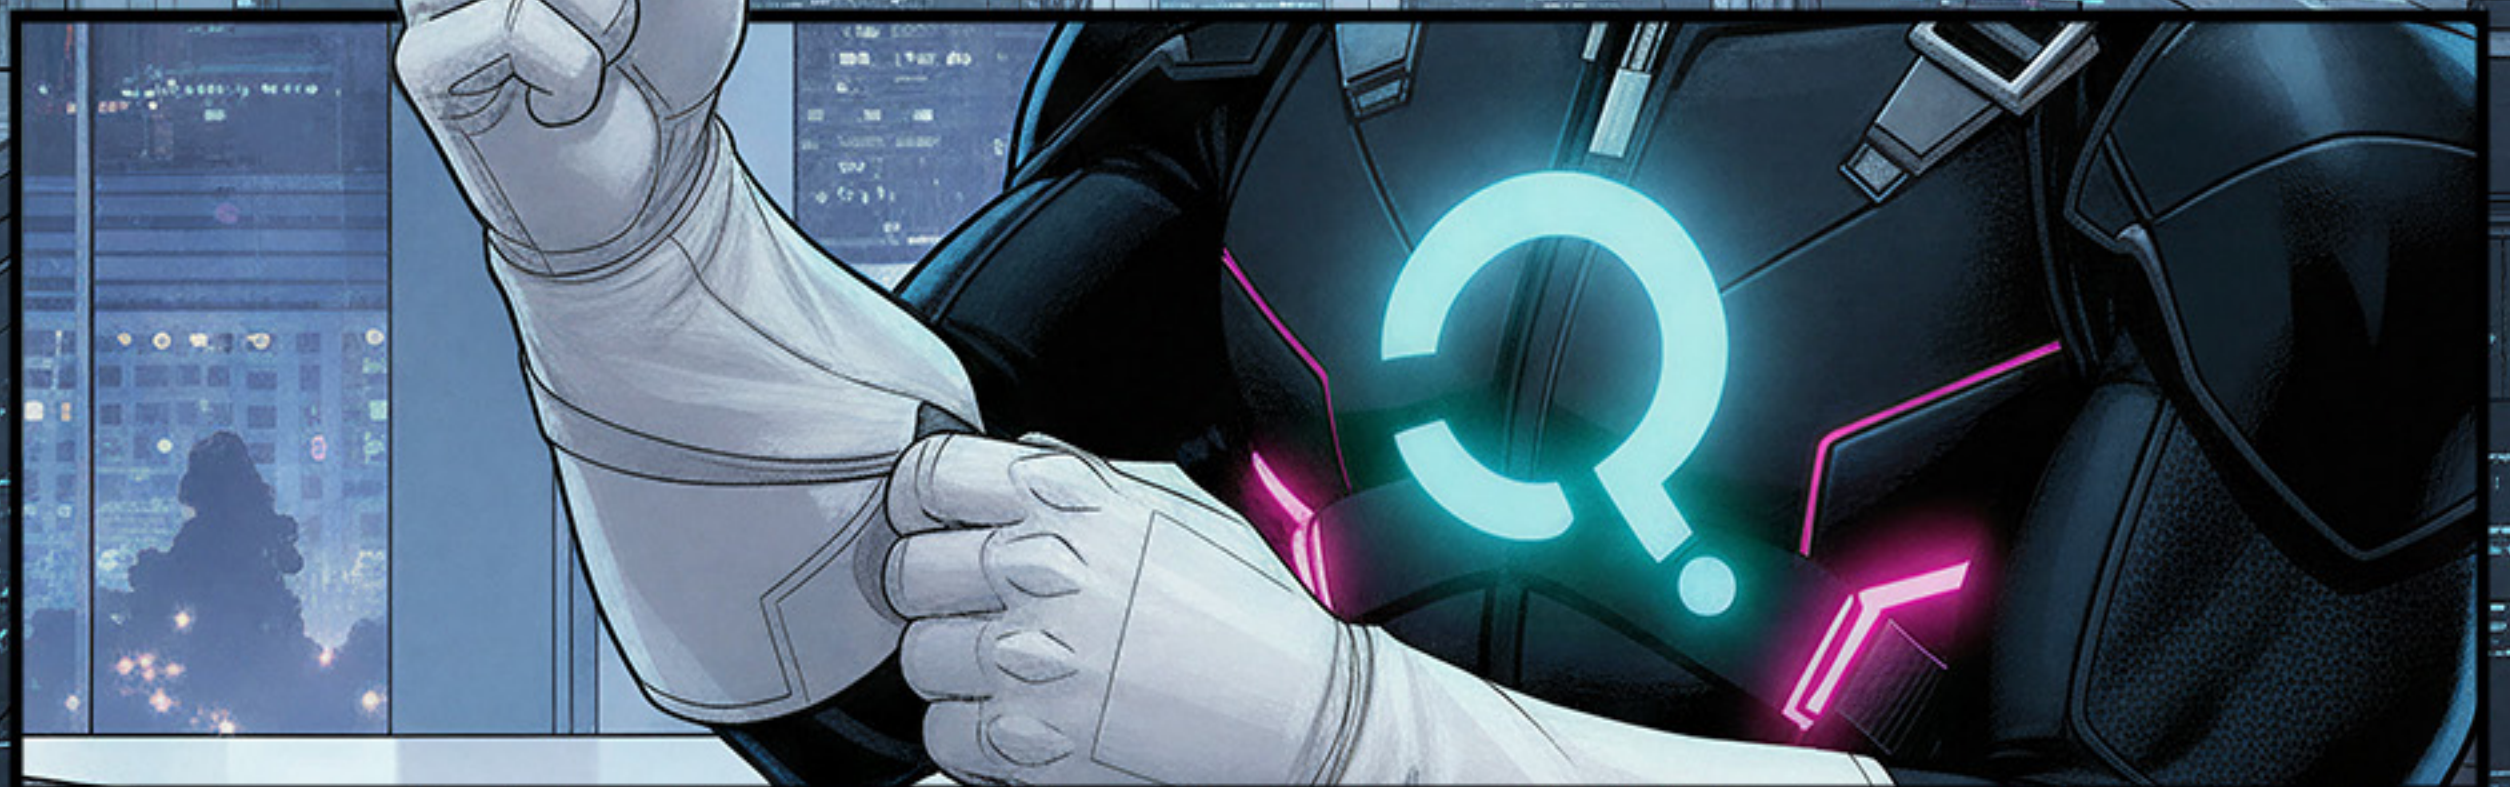

CHAOS DOESN'T START
WITH EXPLOSIONS.

IT STARTS WITH THE
QUIET THINGS...

A MISSED PATCH.

A BLIND SPOT.

A SINGLE ALERT NO
ONE SEES IN TIME.

HORIZON DYNAMICS

CHAOS GROWS WHERE
VISIBILITY ENDS.

AND WHERE THERE'S CHAOS...

THERE ARE THINGS THAT FEED ON IT.

MEET THE HUMANS BEHIND THE HEADLINES

Every hero needs people worth protecting.
Every threat targets the people who keep the company running.

JORDAN PARK

Cybersecurity Officer

He's the guardian of Gateway Tower smart, sharp, and hopelessly outnumbered. Jordan knows every alert, every anomaly, every threat... because it all lands on his desk.

WHEN THE VILLAINS STRIKE, HE'S THE FIRST TO FEEL IT AND USUALLY THE LAST ONE LEFT STANDING.

ROGER MENDOZA

Well Meaning Policy Breaker

Brilliant at sales. Terrible at security hygiene. Roger doesn't try to cause trouble he is trouble, packaged with charisma and poor tech habits.

ONE UNSECURED DEVICE... AND THE VILLAINS SEE AN OPEN DOOR.

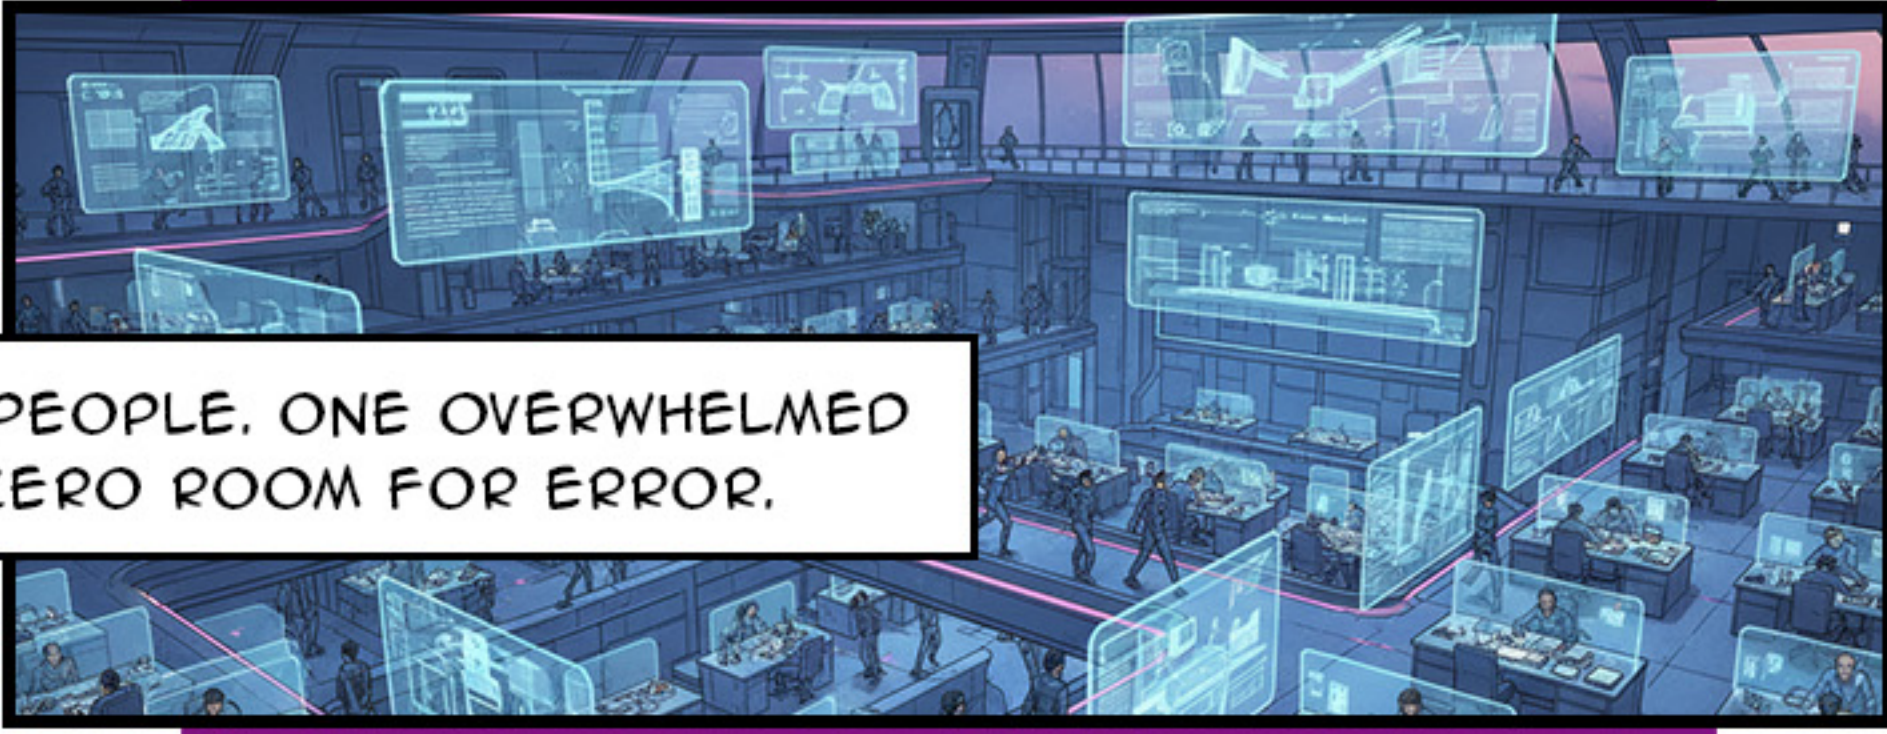

MAYA HARPER

CTO and Reluctant Firefighter

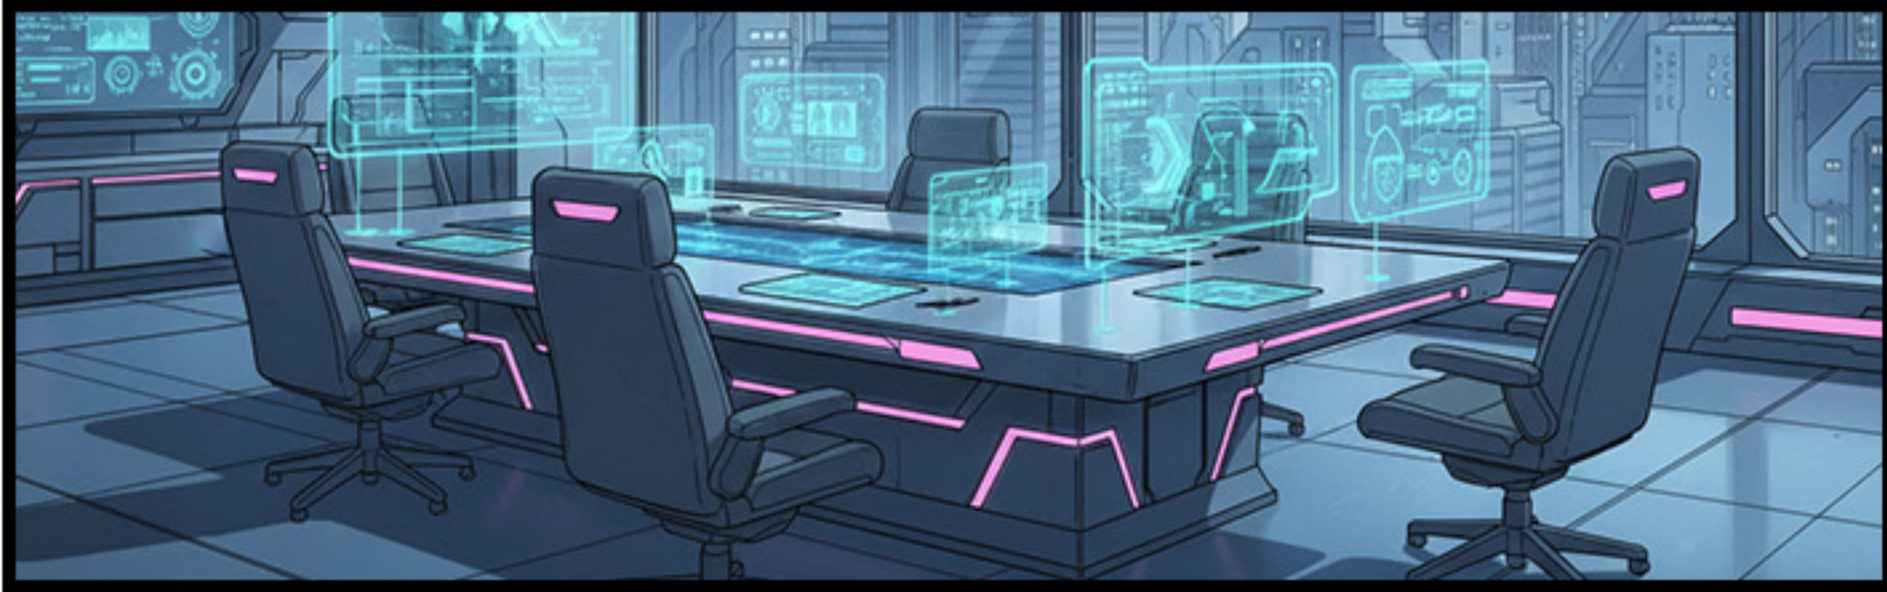

Responsible for risk. Accountable for uptime. Handed half the budget she needs and twice the problems.

SHE KNOWS THE THREATS ARE EVOLVING FASTER THAN HER RESOURCES. AND SHE'S RUNNING OUT OF TIME.

THREE PEOPLE. ONE OVERWHELMED TEAM. ZERO ROOM FOR ERROR.

THEY DON'T KNOW IT YET...

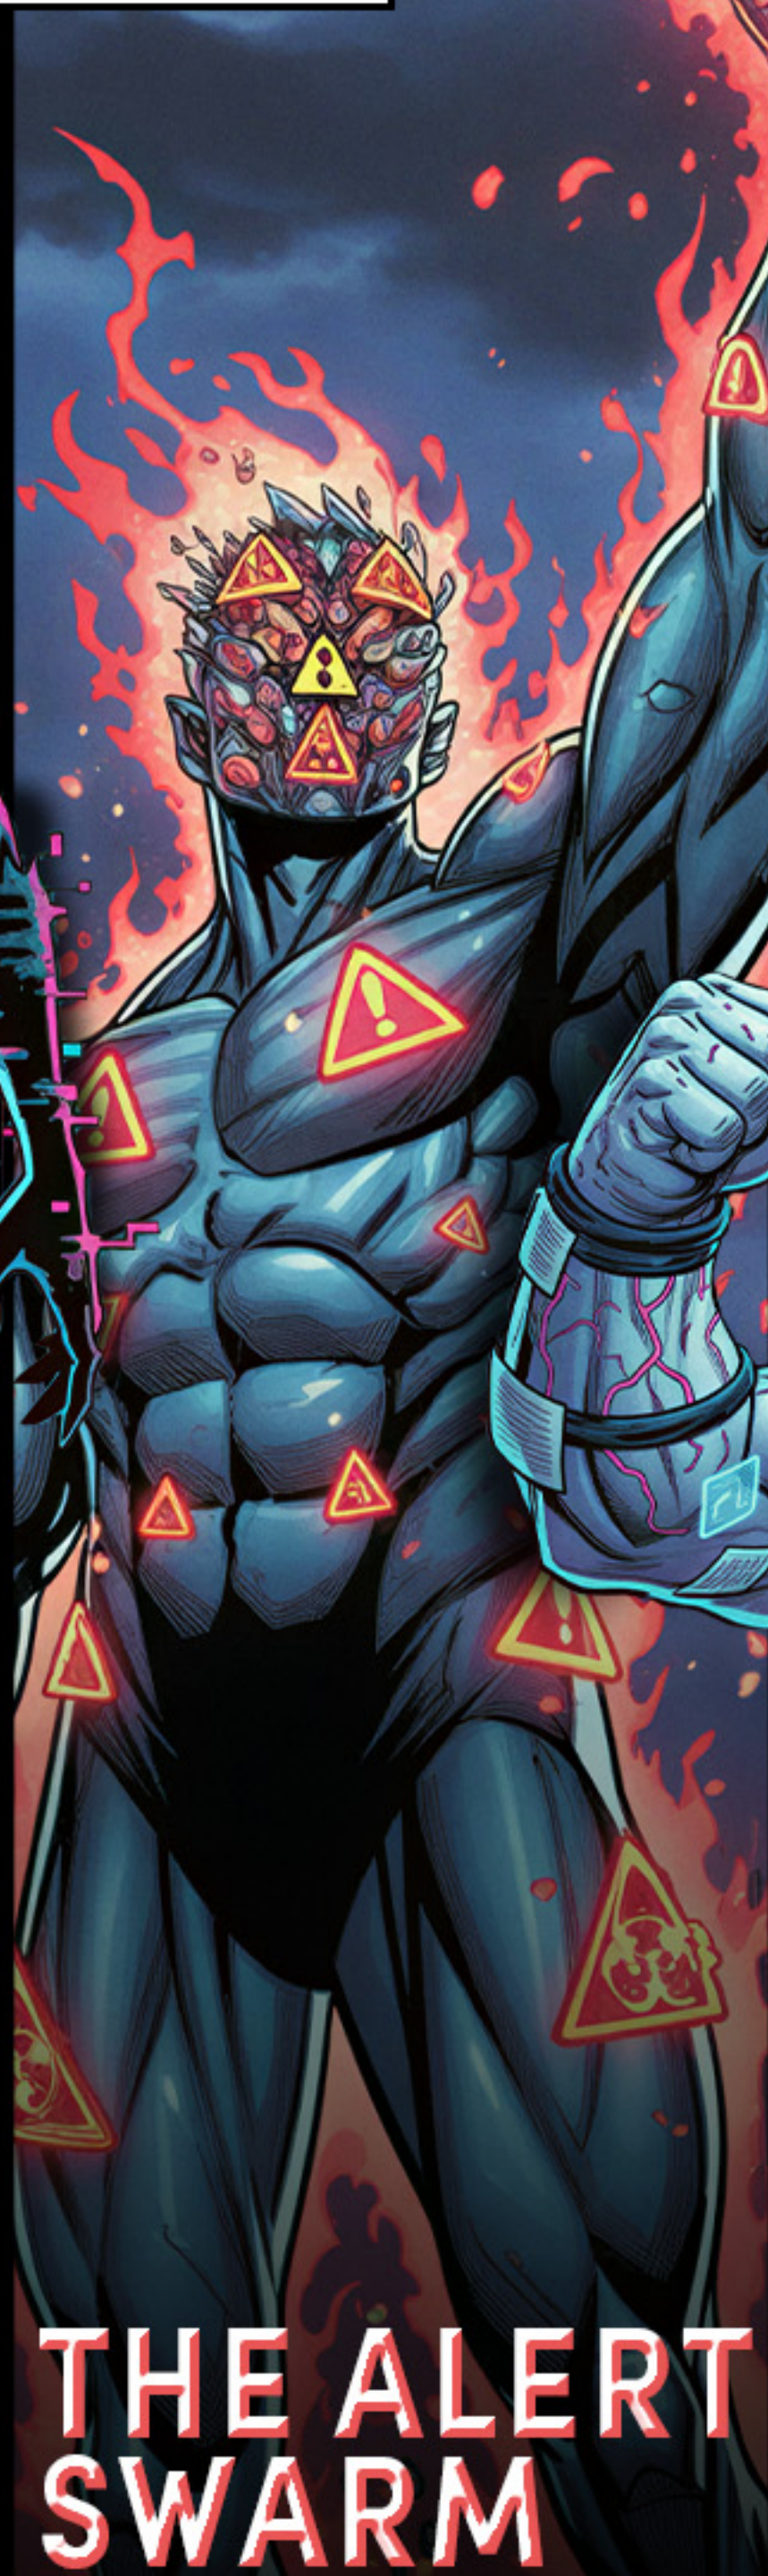

...BUT THEY'RE ABOUT TO NEED A HERO.

BUT BEFORE A HERO ARRIVES...
THE VILLAINS MAKE THEIR MOVE.

THE BLIND SPOTTER

Slithers into unmonitored spaces, thriving wherever visibility ends.

THE ALERT SWARM

Feeder of false positives, devourer of attention, tormentor of SOC teams.

THE OVERWHELM OGRE

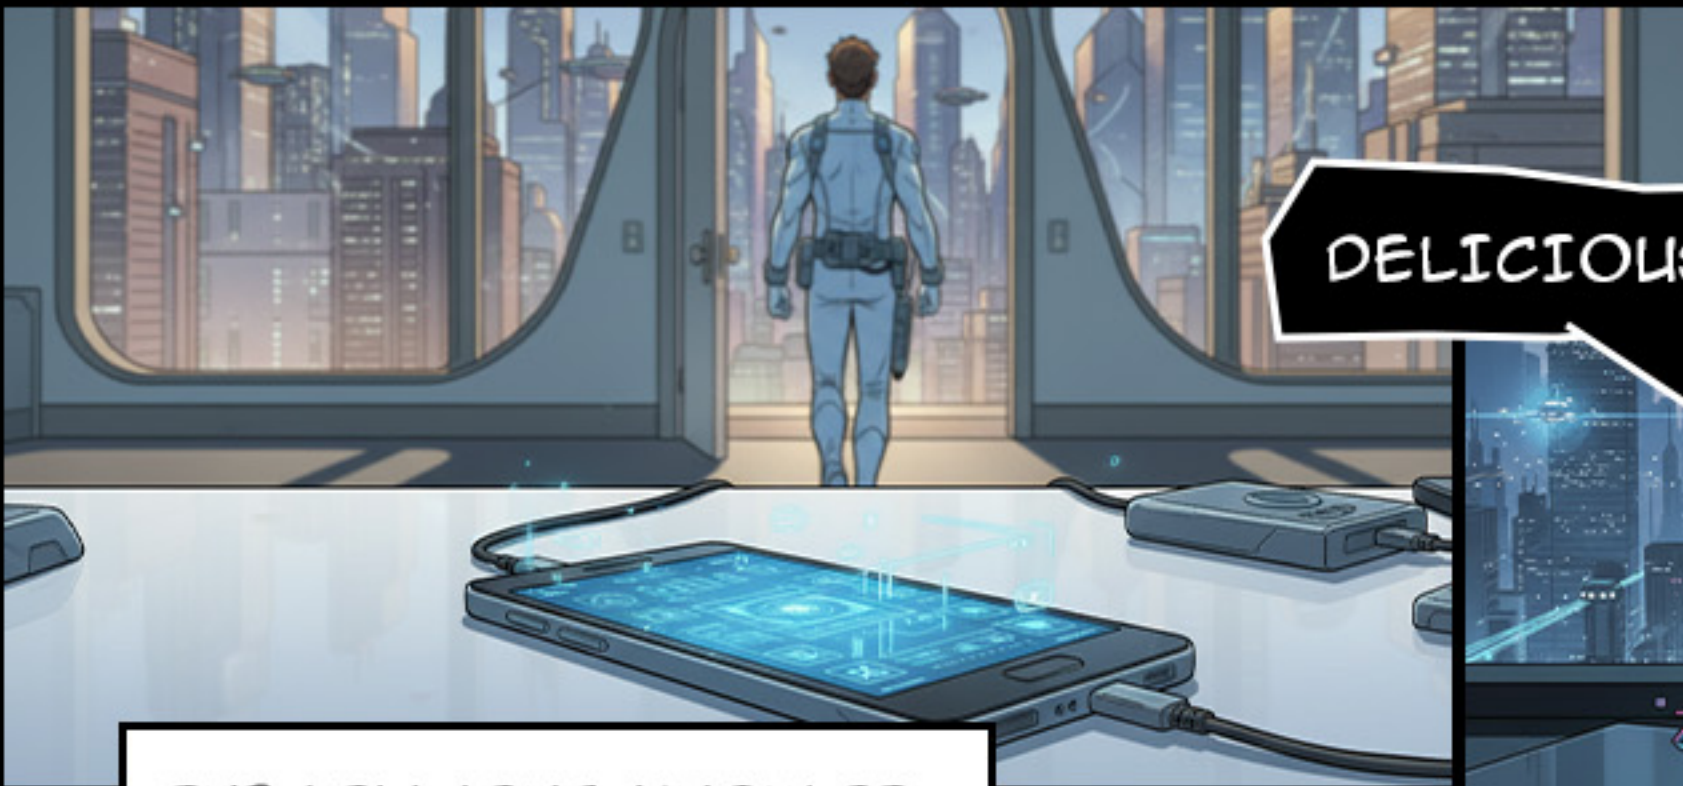

Grows stronger with every missed resource and every exhausted team.

THE VILLAINS FEED ON EVERY MISSED SIGNAL.

A SINGLE BREACH WOULD TOPPLE EVERYTHING.

NO, NO, NO... THIS CAN'T BE RIGHT.

DELICIOUS...

THE VILLAINS KNOW IT.

I CAN'T FIGHT ALL OF THIS WITH FOUR ENGINEERS.

THE CITY FEELS IT.

I NEED... SOMETHING.

I'M OUTNUMBERED.

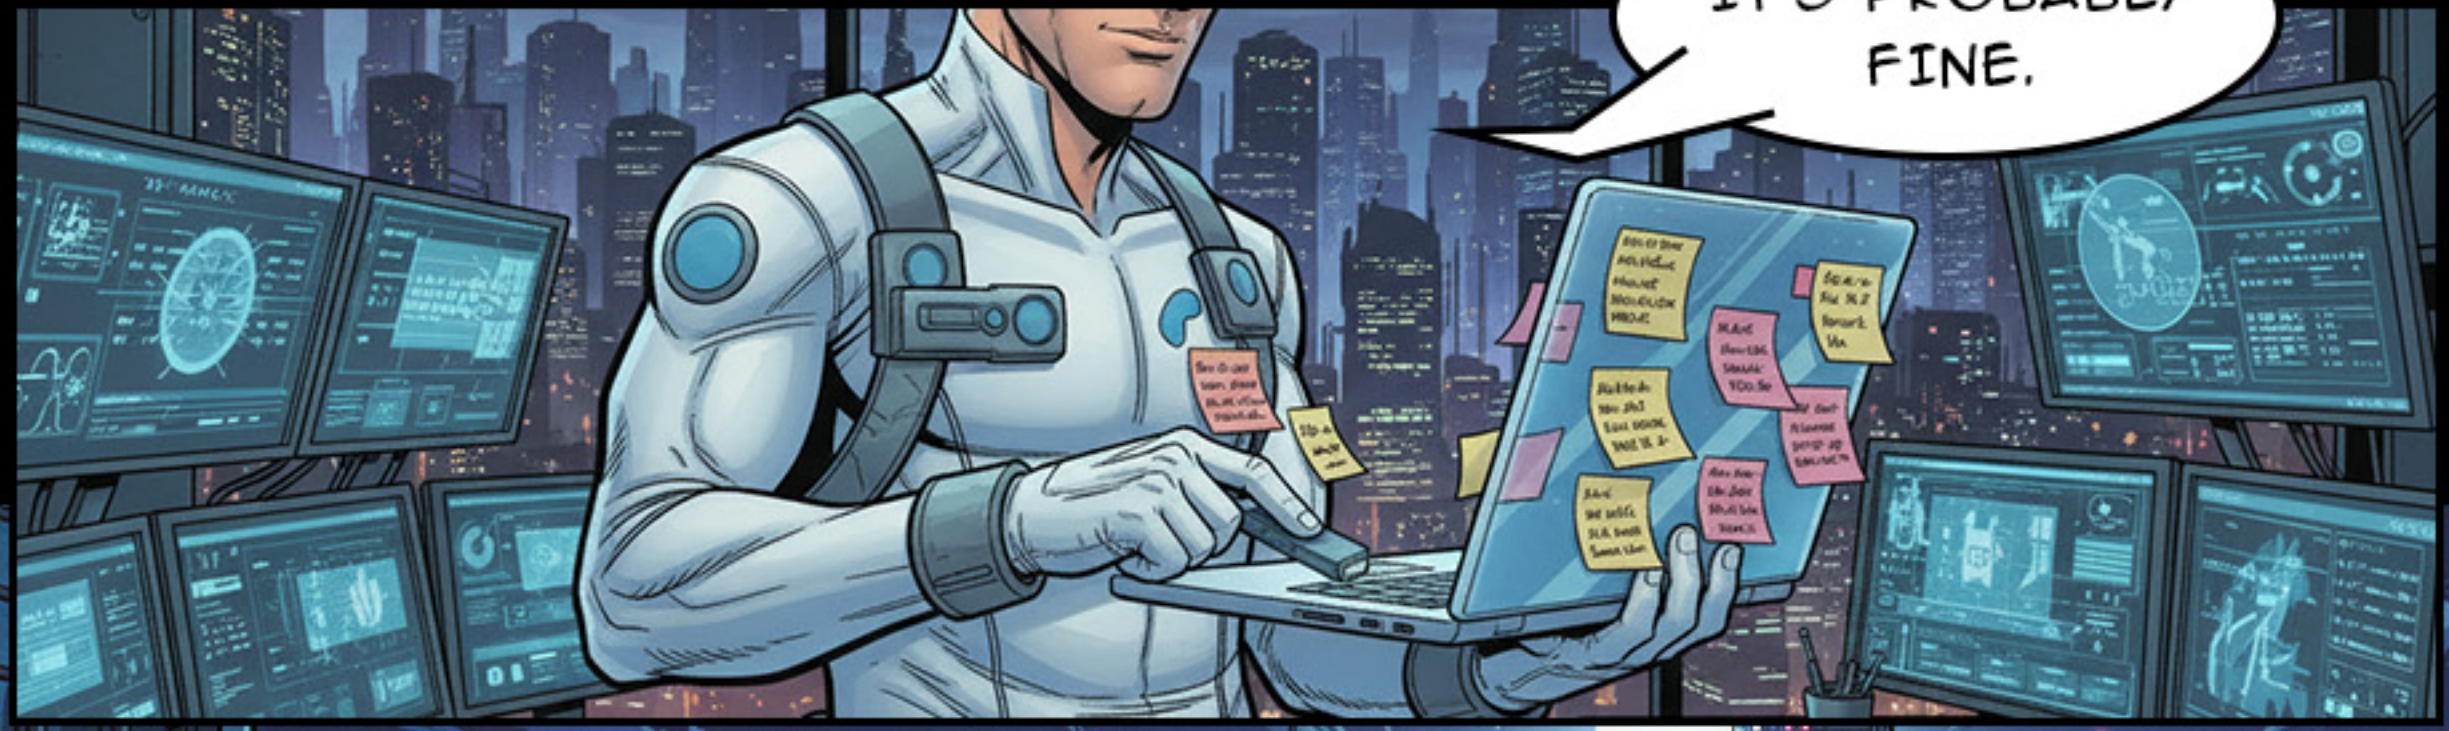

OUTPACED.

AND OUT OF TIME.

THERE HAS TO BE A BETTER WAY.

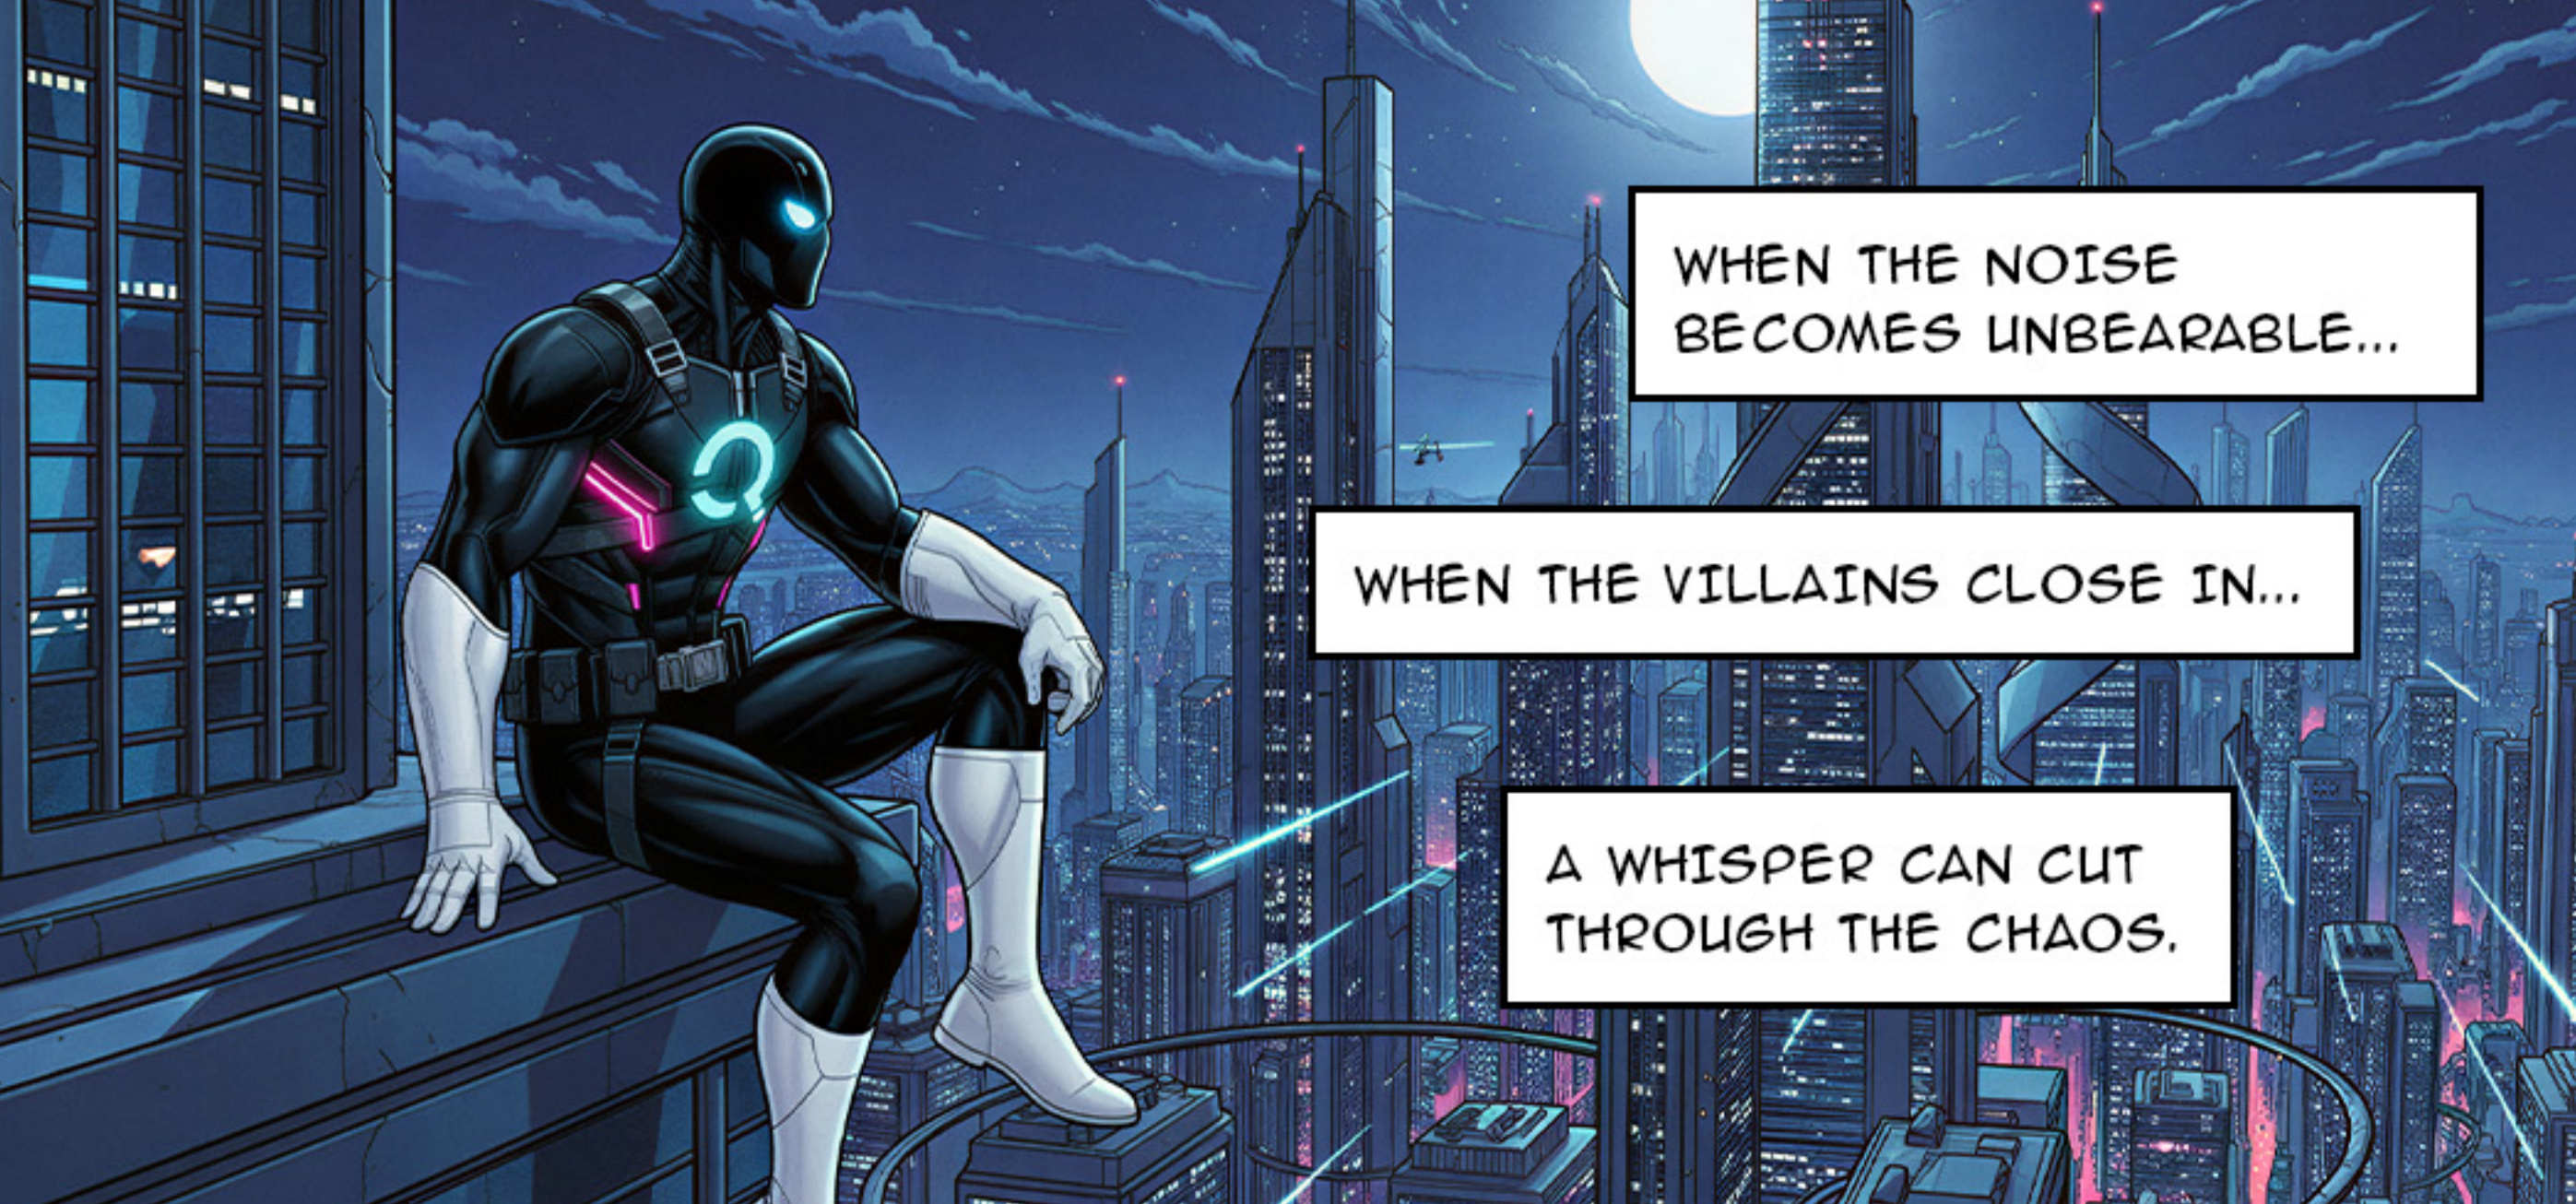

IT'S PROBABLY FINE.

WHEN THE NOISE BECOMES UNBEARABLE...

WHEN THE VILLAINS CLOSE IN...

A WHISPER CAN CUT THROUGH THE CHAOS.

BORN FROM THE HEART OF
THE MICROSOFT CLOUD...

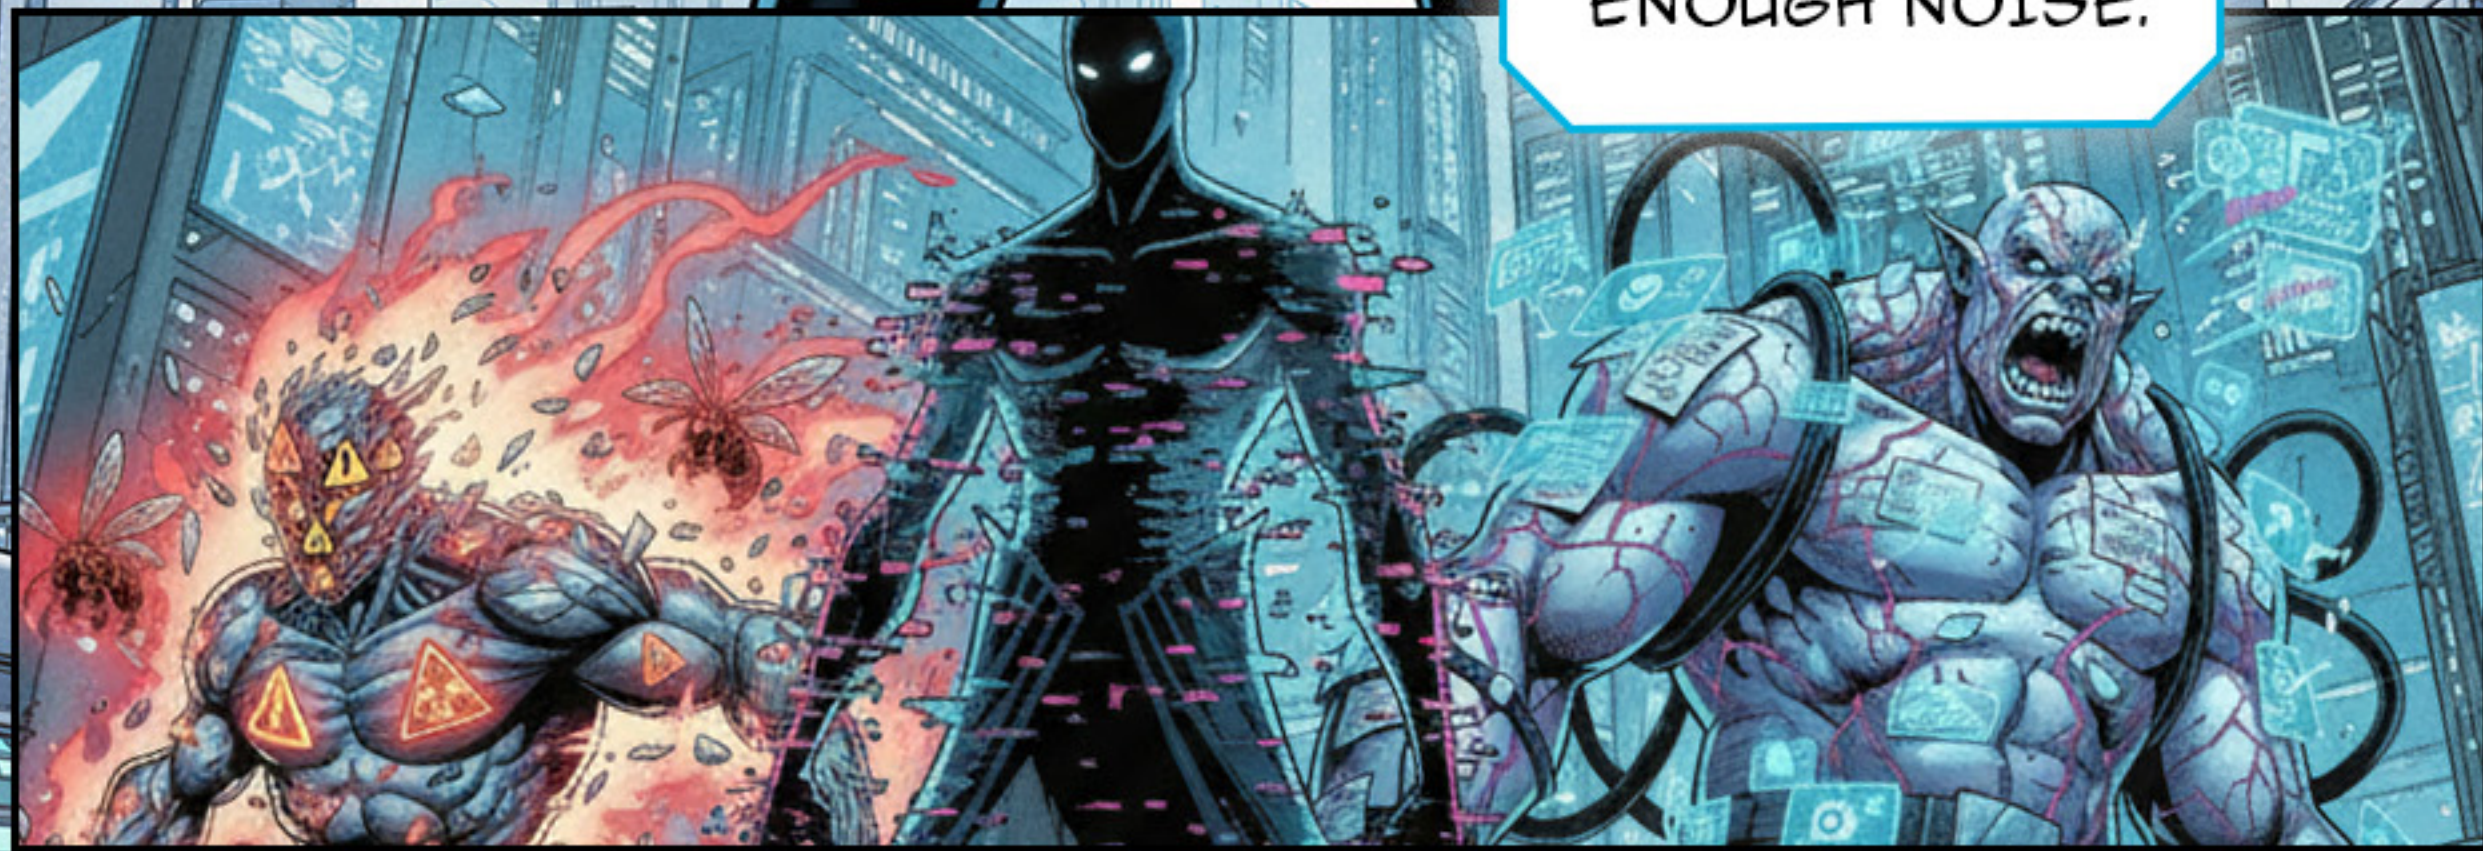

FORGED IN FORESIGHT,
TELEMETRY, AND CLARITY...

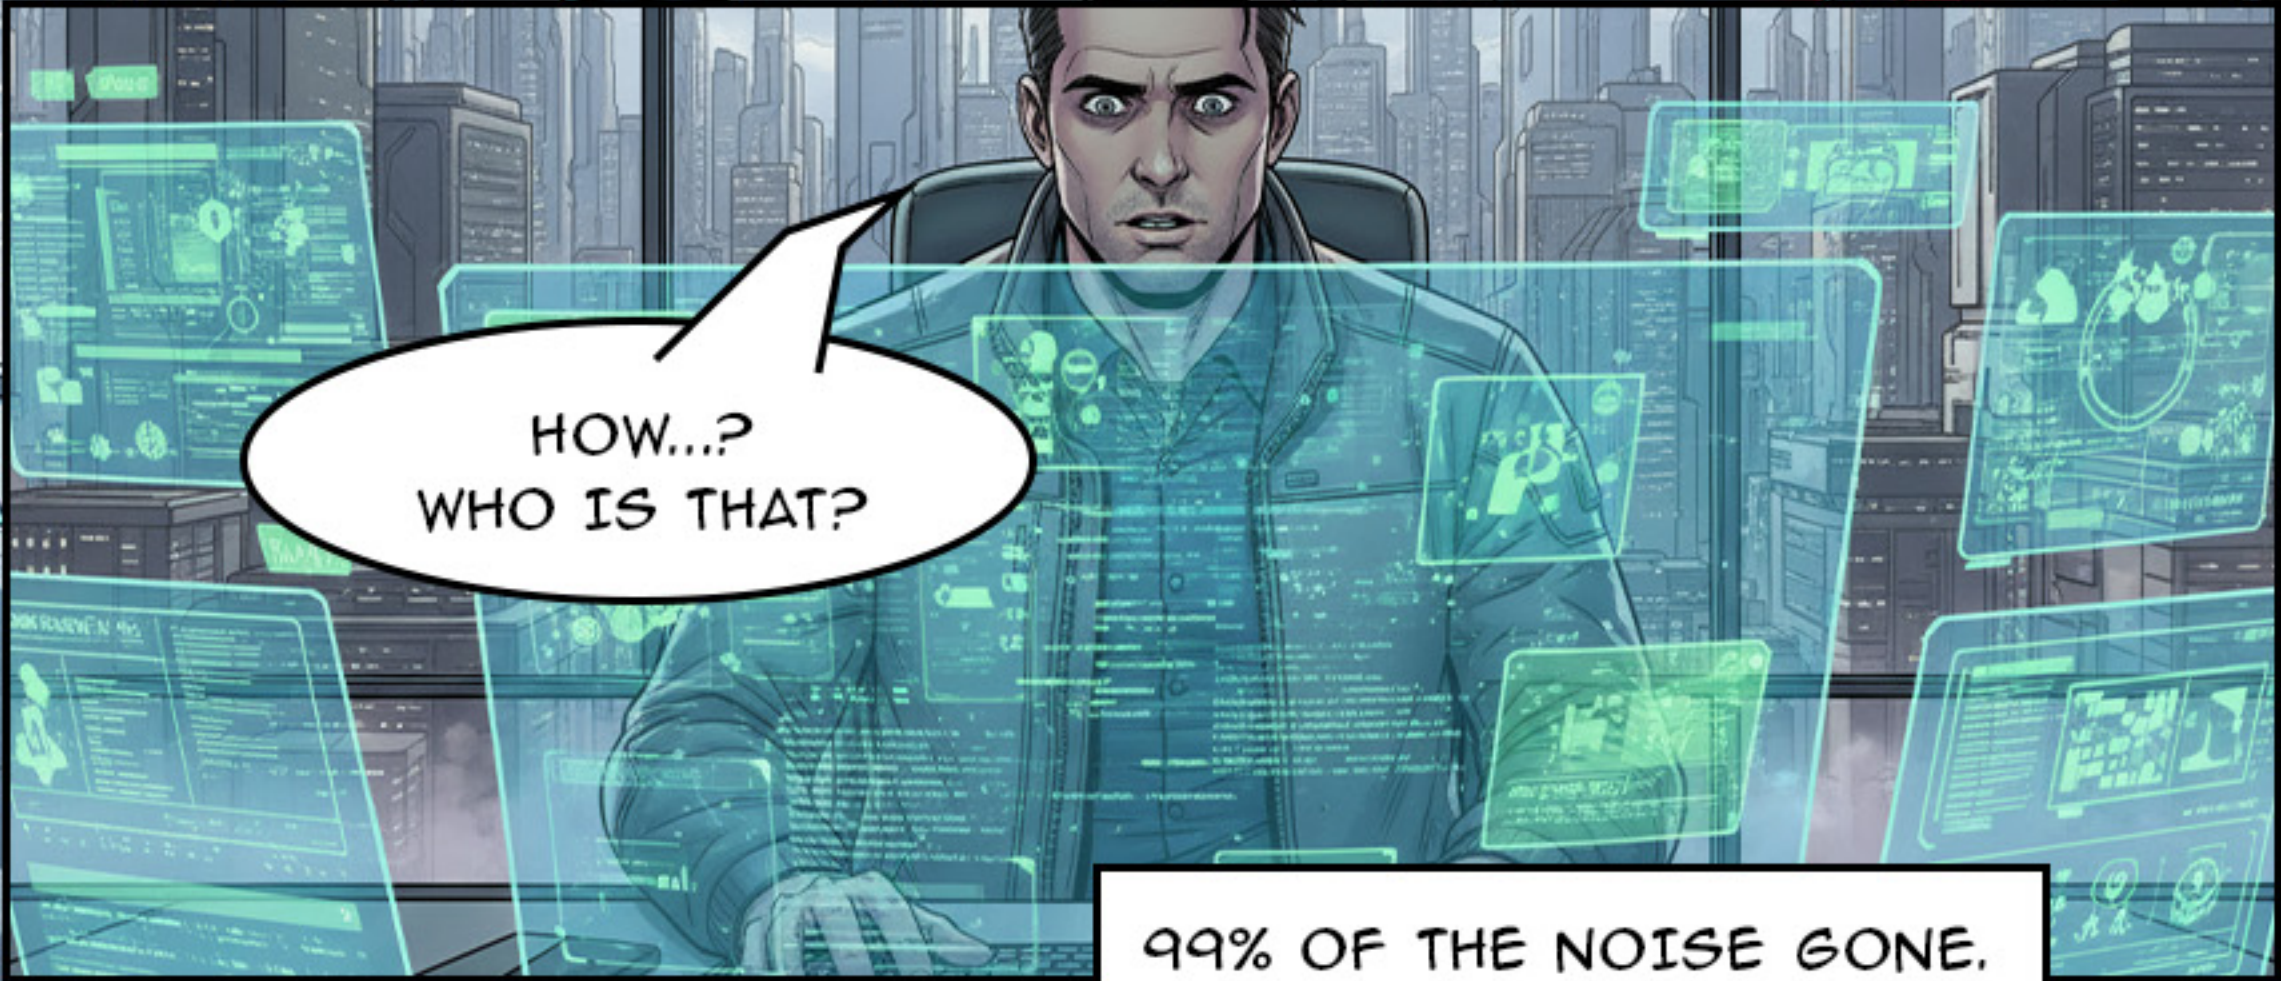

HE IS THE GUARDIAN WHO
FIGHTS IN SILENCE.

THE PARTNER WHO WORKS
BEFORE CRISES BEGIN.

THE HERO YOU NEVER
HEAR COMING.

ENOUGH NOISE.

HOW...?
WHO IS THAT?

99% OF THE NOISE GONE.

HE DOESN'T WAIT
FOR ALARMS.

HE DOESN'T WAIT
FOR DISASTER.

HE CLOSES THE GAPS
THE VILLAINS HIDE IN...

BEFORE THEY EVEN
KNOW HE'S COMING.

YOU SHOULDN'T SEE ME!

I SEE
EVERYTHING.

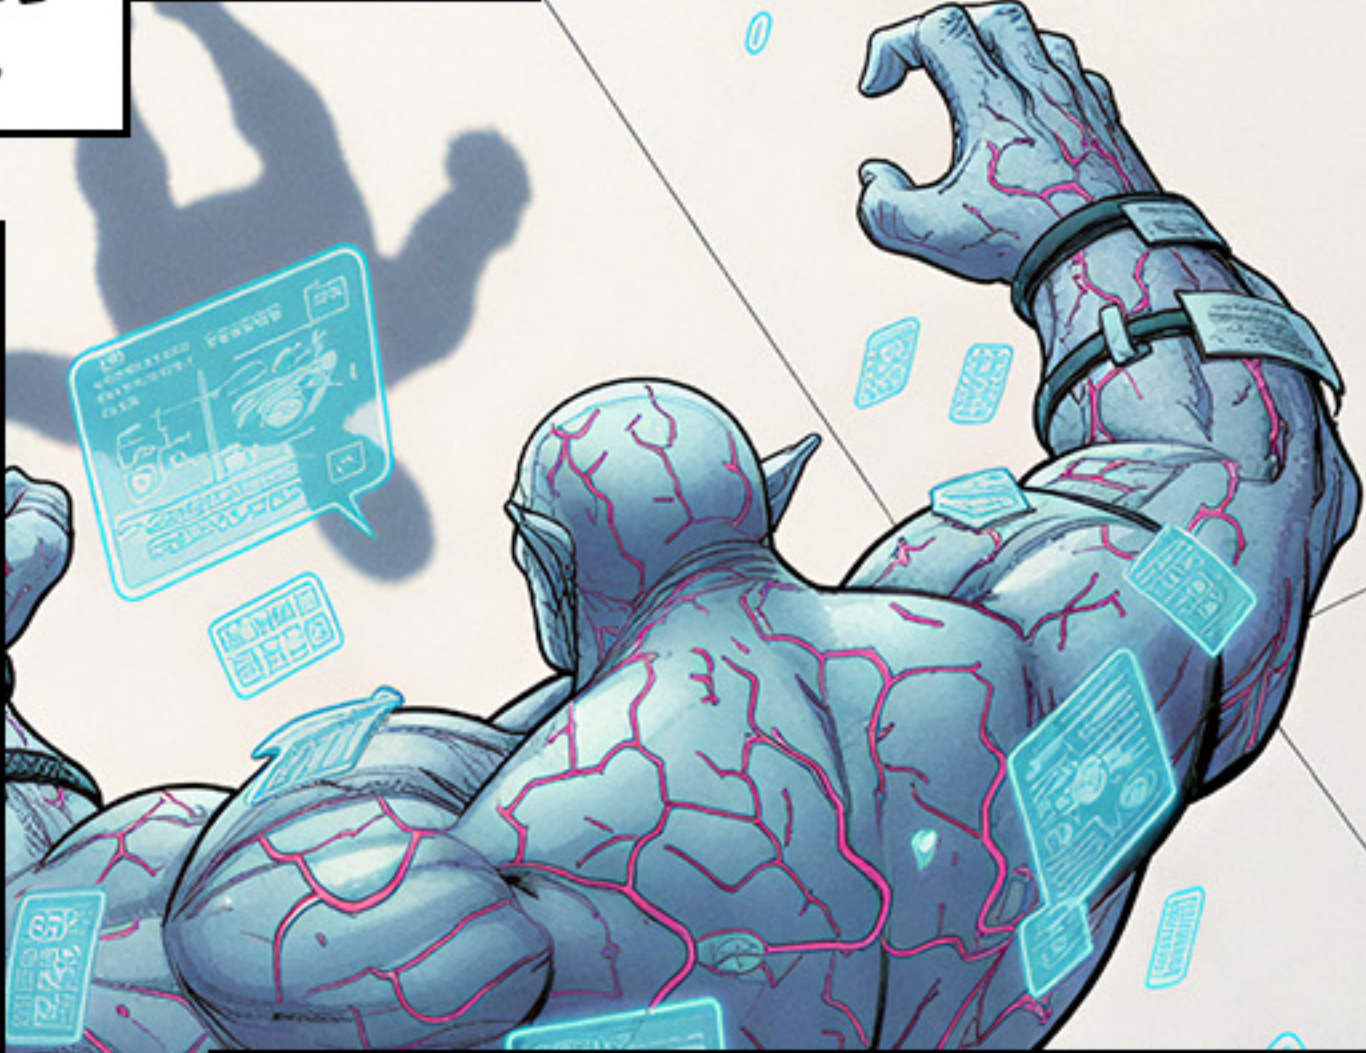

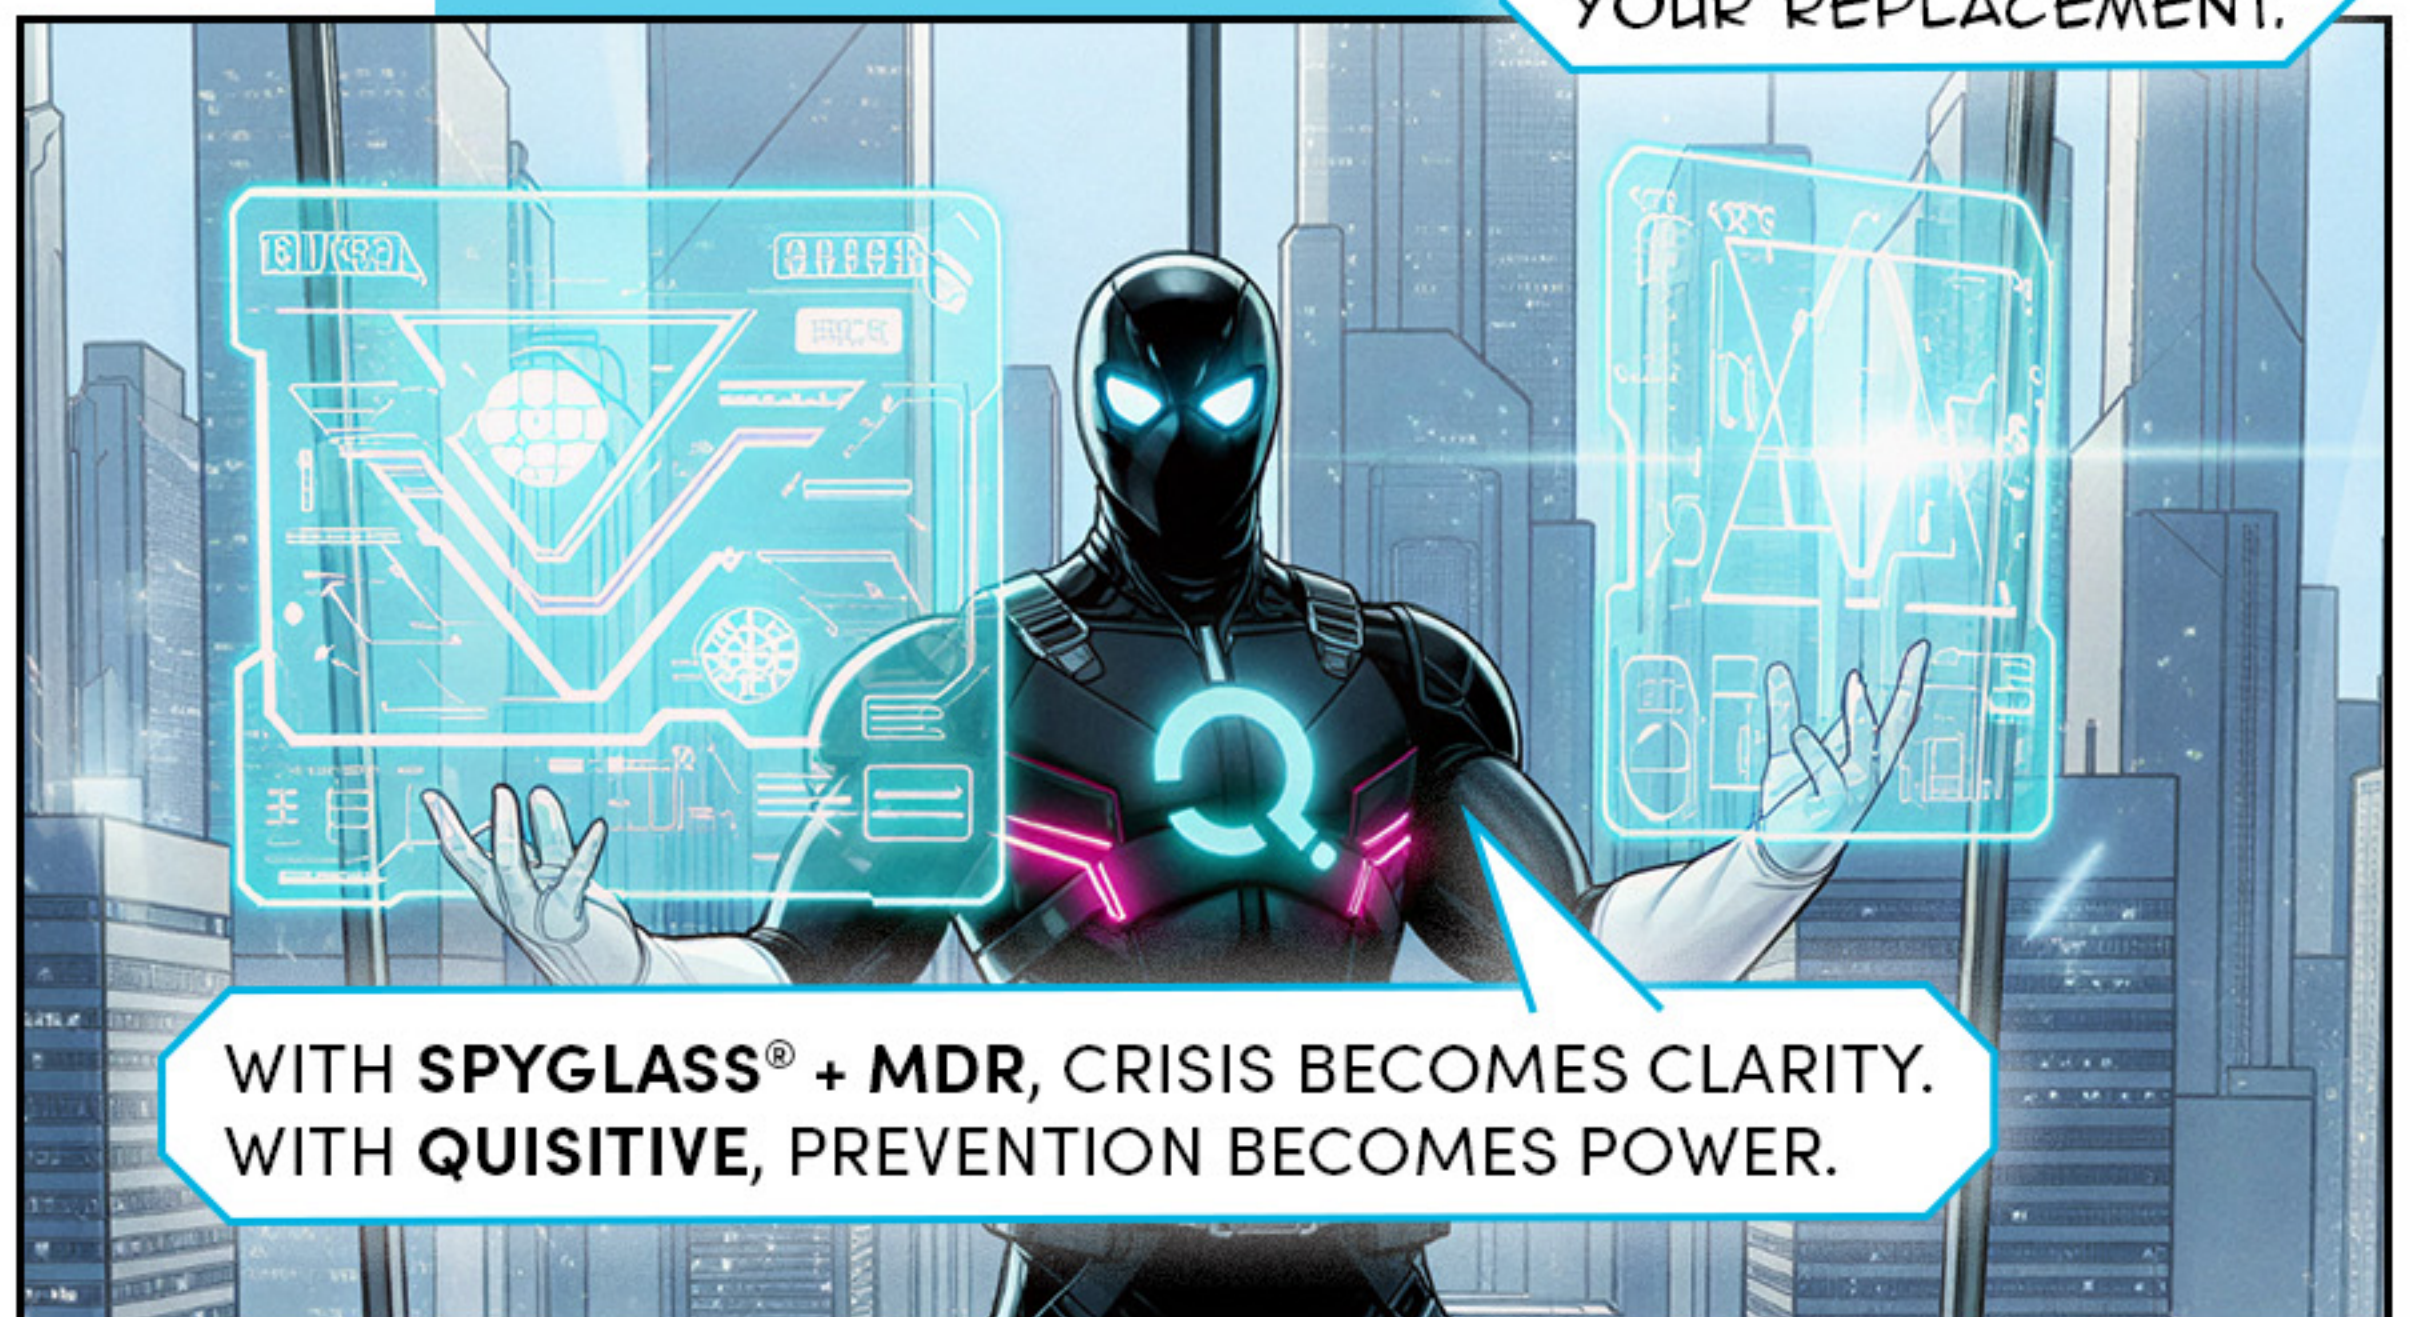

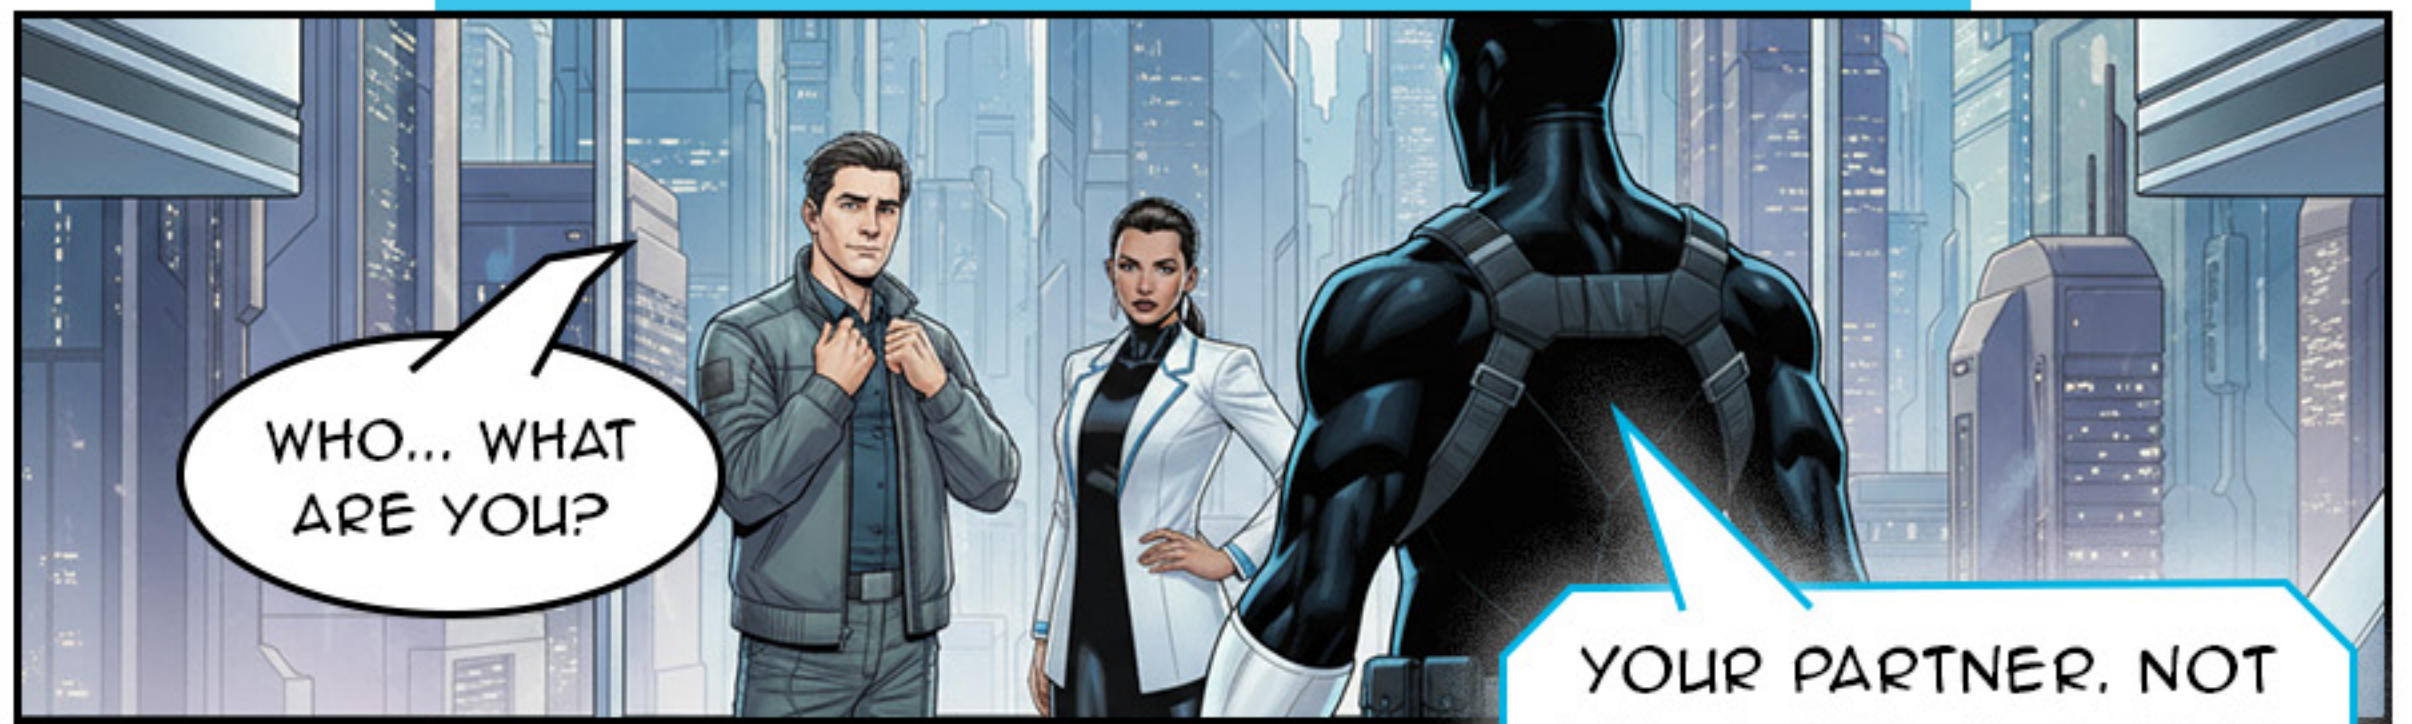

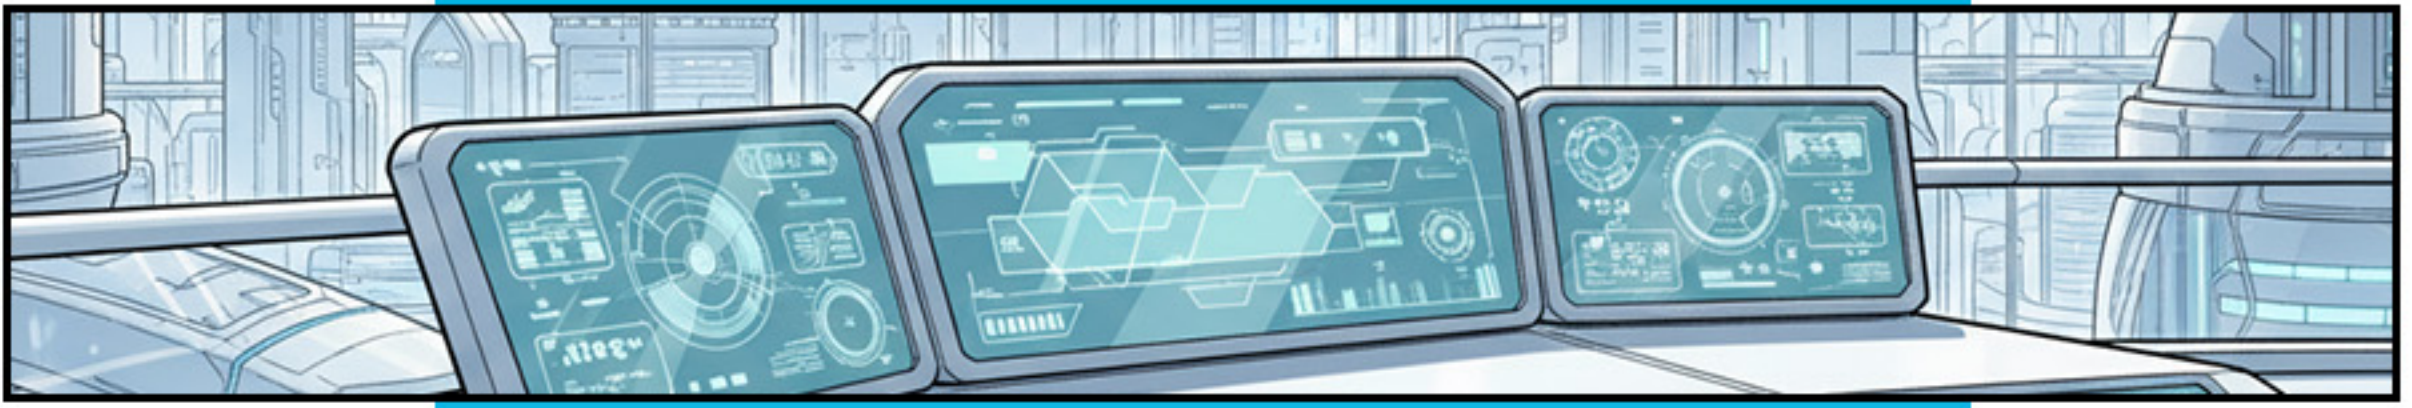

WHERE TEAMS ARE
OVERBURDENED...

HE SHARES THE LOAD.

YOU'RE NOT ALONE
ANYMORE.

HE WORKS IN SILENCE.

HE LEAVES NO SPOTLIGHT.

BUT WHEN THE NOISE STOPS...

WHEN PEACE RETURNS...

YOU'LL KNOW HE WAS HERE.

White Glove represents the guardian behind Spyglass[®] + MDR a partner protecting your team long before threats reach you.

QUISITIVE Spyglass[®] + MDR

Quiet Power. Complete Partnership.

Every organization fights its own villains:
Alerts, blind spots, team exhaustion.

The real question is:
How ready are you to stop them before they start?

Take the Security Gap Quiz.

Evaluate your organization's coverage, triage speed, and proactive protection in minutes.

Get a 15 minute guided review with a Quisitive Security Architect to pinpoint gaps and strengthen your defenses.
